Know yourself* and *be* yourself... To meet your *best* first employer.

* Career-launch Coach Jane Horowitz will help you know and understand yourself for a successful job search or post-graduate program. Because people hire people they like and know, and then train for skills.

Why More Than A Resumé?

More Than A Resumé provides students and new professionals with *more* than job-search tactics.

"You don't have to change who you are to fit an employer: Be MORE of who you are," Jane advises. "Follow your innate abilities, let people really see who you are, and you will find the position and the organizational culture that is a good place for you. Realize that employers hire new graduates for attitude and perceived fit in the corporate culture, and then train them for skills."
