Fox Valley Savings Bank is Tops in State in Teaching Financial Literacy to Children

<photo attached>

TOPS IN TEACHING FINANCIAL LITERACY--Fox Valley Savings Bank President and Chief Executive Officer James J. Rothenbach congratulates FVSB Financial Literacy Educator Monica Walk for earning top education honors from the Wisconsin Bankers Association. Walk received the 2012-2013 Financial Literacy Banker of the Year Award for "devoting unparalleled time and effort to improving financial literacy." Walk made 117 presentations in area grade schools during the last academic year, teaching age-appropriate lessons on saving, earning and managing money. In her four years providing this bank-sponsored community service to students and teachers, Walk has earned top honors once before, always placing among the top three highest-performing presenters.
