

Scholarship applications available for Fond du Lac

The University of Wisconsin-Fond du Lac Foundation is now accepting scholarship applications for the 2009-2010 academic year. The scholarship program provides financial support for and recognition of students who have demonstrated qualities of excellence, leadership and academic success.

"This campus offers unique local access to the UW System, and we strive to make it even more accessible through financial awards to deserving students," says foundation executive director Christa Williams.

"We also welcome the collaboration and support of area individuals and businesses interested in funding scholarships."

In celebration of the 40th anniversary of the campus in 2008, the UW-Fond du Lac Foundation awarded scholarships to 40 new and continuing UW-Fond du Lac students, totaling \$36,700 and with an average award of \$1,000.

An additional three awards are funded via donors at the Fond du Lac Area Foundation and are distributed via UW-FDL to students on its campus.
