Leave your legacy with Marian University

Fond du Lac native **Jim Nintzel** was an inspiration to his community and to all who were fortunate enough to know him. By including Marian University in his estate plan before his recent passing, Jim's legacy continues, both in spirit and deed, on our campus today.

"The true measure are the lives we touch and make better because we were here and we cared enough to reach out."

— SCOTT NINTZEL, son of Jim
