## Welcome to Open Circle

Open Circle Unitarian Universalist Fellowship is a young and growing congregation at the foot of Lake Winnebago in the City of Fond du Lac, WI. We sprang from an informal gathering of religiously liberal residents in 2003 and are pleased to be gathering together an increasing number of families and individuals committed to living life in peace, justice, love, reason and democracy.

We embrace members and friends from many walks of spirituality, ranging from life-long Unitarian Universalists to life-long searchers—and the vast richness of experience in between. We are an open congregation and welcome all people regardless of race, sexual orientation or national origin. We do not have a creed that one must accept in order to join us. We come together with open minds, open hearts and the willingness to share our spiritual journeys.

***We have renovated a building in downtown Fond du Lac at 19 E. Third Street and are holding services there, beginning with an all-ages service (no religious ed classes) on Sunday, Sept. 7, at 10 a.m.***

***Join us for our Dedication Ceremony on Sunday, Sept. 21. We are hosting an open house from 1:30-3 p.m.***

***and***

***Rev. Scott Prinster will lead our dedication service from 3:30-5 p.m. (An all ages service, although we will have some activities for children.)***
