Explore our scenic dining destination

The Village of Sherwood is nestled along the scenic East Shore of Lake Winnebago, near the top of the lake.

The area is shaped by the prominent rock ridges of the Niagara Escarpment, a 440-million-year-old limestone cliff that begins here in Wisconsin and travels through Canada to western New York State, where Niagara Falls cascades over it. The landscape is beautiful, and provides opportunities for year-round outdoor activities. Minutes from the Fox River Valley, Sherwood is a quiet community that boasts a friendly, welcoming atmosphere attracting locals and travelers alike.
