

## Services

We meet at 10 a.m. on the first, third and fifth Sunday of the month, September through June. (We have an exception in September, when we meet the second, third and fifth Sundays, due to the Labor Day holiday.) Some services are led by our student minister, Leslie Kee, from Meadville Lombard Seminary in Chicago; others are lay-led by members of the fellowship or invited speakers.

Guest speakers have included Dr. Robert Ricigliano, chair of the Peace Studies Program at U.W. Milwaukee; Dr. Robert Zellner, civil rights activist and friend of Martin Luther King, Jr.; scholar and writer Dr. Jolene Million, speaking on pioneer feminist and Unitarian Lucy Stone; and Rev. Scott Prinster, former minister at First Unitarian Society of Madison.
